What additional information should I know?

*The ride takes approximately **3 hours** and is about 8 miles. Please, do **NOT** schedule your flight out for the same day you are riding out of the lodge. While we endeavor to deliver you to the trailhead at a reasonable time, it is always possible for delays to arise. We can not, and will not, guarantee your arrival at the trailhead for any particular time.*

*A brimmed hat is always suggested but it must have a stampede string, or be a ballcap that can be snugged down tight. Additionally, a raincoat and water bottle are suggested. Footwear should have a defined heel. Boots are preferred but not required. **ABSOLUTELY NO OPEN-TOED SHOES WILL BE ALLOWED.** Please wear long pants (no shorts).*

***NO BACKPACKS** will be allowed to be worn while riding. No additional bags may be tied on your horse. If you believe you need a particular item to stay with you, that is not listed, please discuss with us before you arrive so everyone is prepared.
